Academic Integrity:

Students engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, altering report cards, and wrongfully obtaining test copies or scores will be held to the standards of the 17-18 CMS Plagiarism Policy.

Plagiarism/Cheating

Using someone else's ideas, phrasing or words and representing those as your own, either on purpose or through carelessness, is plagiarism. This is the same as "copying" the ideas of someone else. This includes, but is not limited to: copying from the Internet, copying from a reference source, copying from a friend, etc. Plagiarism can encompass an entire paper, a paragraph, a sentence, or even just one word. Any work that is turned in and is found to have been plagiarized will be disciplined as follows:

- All daily work, classwork, homework, and quizzes will result in a zero

For large/unit assessments and projects:

- 1st offense-Conference with the teacher with the option to redo the project/assessment for 50% off
- 2nd offense– Conference with the teacher, parental contact, and a zero on the project/assessment

All subsequent offenses will result in a mandatory conference with the student, teacher, principal or student service coordinator. Consequences will be handled on a case by case basis.
